Tokio Marine Holdings wins “Special Award” at the 2019 Sustainable Finance Awards

Tokio Marine Holdings, Inc. (President and Group CEO: Satoru Komiya, hereinafter “TMHD”) proudly announces that TMHD wins the Special Award at the 2019 Sustainable Finance Awards hosted by Research Institute for Environmental Finance (RIEF).

“Sustainable Finance Awards” is an award hosted by RIEF, a public awareness raising organization for environmental finance as a tool for resolving environmental issues, which selects and prizes outstanding financial institutions and others for their contributions to the development of environmental/sustainable finance.

(Major award-winning points)

- TMHD’s subsidiary Tokio Marine & Nichido Fire Insurance Co., Ltd. (President: Shinichi Hirose) has promoted its mangrove-based value co-creation initiative as “Green Gift Project -Insurance for the Future of the Earth-” in nine countries in the Asia-Pacific region for more than twenty years.
- The Mangrove Planting Project is implemented as a community and social contribution activity as well as a customers participation-oriented initiative.
- TMHD has achieved a carbon neutral status on a group-wide basis for six consecutive years since fiscal 2013.

Aiming “To Be a Good Company” to be trusted by all people and society, TMHD will contribute to a creation of a safe, secure and sustainable future and implementation of the SDGs through promoting all employee participation-oriented social issue resolving initiatives rooted by its self-motivated employees with integrity and compassion.
