

**Tokio Marine Holdings has become a component of
“DJSI World” and “DJSI Asia Pacific” in 2018 Dow Jones Sustainability Indices**

Tokio Marine Holdings, Inc. (President and Group CEO: Tsuyoshi Nagano, hereinafter the “Company”) proudly announces that it has become a component of “DJSI World” and “DJSI Asia Pacific” in 2018 Dow Jones Sustainability Indices (DJSI), a worldwide ESG (Environmental, Social and Governance) indices. The Company achieved an inclusion in the DJSI for ten consecutive years.

DJSI is the equity indices jointly developed by S&P Dow Jones Indices of the United States and RobecoSAM of Switzerland whose components are evaluated from economic (governance), environmental and social aspects and selected as industry leading companies. DJSI include “DJSI World” which covers companies worldwide and “DJSI Asia Pacific” which covers companies in the Asia Pacific region. The Company has been consecutively selected as a component of “DJSI World” and is newly selected as a component of “DJSI Asia Pacific”(previously selected in 2015).

The Company will continue to contribute to the resolution of various social issues together with its stakeholders through all employee participation-oriented initiatives rooted by its self-motivated employees with integrity and compassion. By implementing these initiatives, we aim to become a “Good Company” that is trusted by all people and society.
