

Tokio Marine Holdings has become a component of the FTSE4Good Index Series

Tokio Marine Holdings, Inc. (President and Group CEO: Tsuyoshi Nagano, hereinafter the “Company”) proudly announces that the Company has become a component of the FTSE4Good, a worldwide ESG (Environmental, Social and Governance) indices.

FTSE4Good is the index series started by FTSE Russell, a group company of London Stock Exchange. It targets about 2,000 listed companies worldwide, evaluates the corporate sustainability from economic, environmental and social aspects, and selects leading companies. FTSE4Good is a representative index in the FTSE Global Index Series and is used for the creation and evaluation of financial products by a wide range of investors.

The Company will strive to contribute to the resolution of various social issues together with its stakeholders through all employee participation-oriented initiatives rooted by its self-motivated employees with integrity and compassion. By implementing these initiatives, we aim to become a “Good Company” that is trusted by all people and society.
