Tokio Marine Holdings, Inc.

Exit from the Net-Zero Insurance Alliance (NZIA)

Tokio Marine Holdings, Inc. (President and Group CEO: Satoru Komiya) announces its exit from the Net-Zero Insurance Alliance (NZIA).

Even though we are no longer a member of NZIA, our commitment to contribute to the transition to a decarbonized society, based on the Paris Agreement, remains unchanged.

Our work towards a sustainable society remains critical for us and we will continue the initiatives we have undertaken so far by developing and offering insurance products for decarbonizing technologies and by supporting our clients through their transition.
